CARTE POSTALE.

POSTKARTE.

By Appointment.

The Fuenfgratturm is an old water-tower, erected in 1544, and notable for its peculiar architecture. Augsburg is a town of considerable manufacturing importance, which has been the centre of a great weaving and spinning industry for many years. It is the old Roman *Augusta Vindelicorum*, and reached the height of its prosperity in the 15th and 16th Centuries, when its wealthier citizens enjoyed princely power.

(FOR ADDRESS ONLY.)

Processed in Bavaria.
